H-1B Registration

U.S. employers or agents who seek to obtain H-1B nonimmigrant classification on behalf of an individual subject to the H-1B numerical allocations will need to submit a registration during a designated registration period, unless the registration requirement is suspended by USCIS.

The annual initial registration period will last a minimum of 14 calendar days and will start at least 14 calendar days before the earliest date on which H-1B cap-subject petitions may be filed for a particular fiscal year.

If a sufficient number of registrations projected as needed to reach the H-1B regular cap have not been received within the 14 days initial registration period, we will notify all registrants who have properly registered that their registrations have been selected. We will keep the registration open past the initial registration period until we have determined that we have received enough registrations projected as needed to meet the H-1B regular cap.

After the end of the initial registration period, if USCIS has received more registrations than needed to meet the projected number of registrations to reach the regular cap, we will randomly select a sufficient number of registrations. A similar process will apply for those who may be eligible for the numerically limited cap exemption. A Form I-129, Petition for a Nonimmigrant Worker, may then be filed by the employer based on a selected registration to request classification of the beneficiary as an H-1B worker.

Before you start your registration

Eligibility

A U.S. employer or agent may file H-1B cap petitions, and as such, will be required to submit an H-1B Registration to be eligible to file the H-1B cap petition.

U.S. Employers: Person or entity in U.S. that: Engages a person to work in the U.S.; Has an employer-employee relationship with the beneficiary; and Has an FEIN.

Agents: A U.S. individual or company in business as an agent may file an H-1B Registration for workers who are traditionally self-employed or workers who use agents to arrange short-term employment on their behalf with numerous employers, and in cases where a foreign employer authorizes the agent to act on its behalf.

Duplicates

A registrant may only submit one registration per beneficiary in any fiscal year. If a registrant submits more than one registration per beneficiary in the same fiscal year, all those registration will be considered invalid.

Fee

Fee: \$10 per registration

We will send you to Pay.gov, our safe, secure payment website, to make your payment and submit your registration online. If your current document is incorrect due to a typographical or clerical error caused by USCIS, there is no fee.

Refund Policy

USCIS does not refund fees, regardless of any action we take on your application, petition, or request. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service. You further agree that the filing fee, biometric fee, and any other paid costs related to this financial transaction are final and not refundable. Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.
